## HONEY, MAPLE & OTHER SWEET PRODUCTS A Guide to Area Producers

### Support Your Local Food Producers!

Purchasing locally produced sweet products like honey, maple, jams, jellies, preserves, grape juice and cider provides you with the opportunity to enjoy some of the freshest foods available. Buying directly from the producer also gives you a chance to discover the wide selection of specialty items produced in the area. When you buy locally you help support local producers and your local economy and also save yourself some money. This brochure can help you find producers in your area.
